

# OUTDOOR SIRENS

# Iside

EN 50131-4 / GRADE 2

**Iside** is an auto supplied siren with an innovative design, suitable for all installations need. The Elliptical Shape allows to fix it in any position, vertical or horizontal, without the need to modify the functionality and the shape. The flat surface permits a simple and visible siren customization. This product is entirely made of polycarbonate. Both versions are equipped with anti-opening and back tamper switches; the sound power utilises a piezoelectric technology, ensuring a low consumption level during triggering period.

**Available Case colours:** white

**Available Flash colours:** orange / blue / red

**Dimensions:** W 320, H 220, D 55 mm
